

Silpakorn International Conference on Total Art and Science 2021
in conjunction with the 2nd International Conference on Engineering
and Industrial Technology 2021 (ICEIT 2021)
The International Virtual Conference on Art, Science & Technology, and Social Science

Introduction of Keynote Speaker

Name Tomohiko TAGAWA, President, Dr.

**Affiliation National Institute of Technology
(NIT Kosen), Toyota College**

Dr. Tagawa is currently a president of National Institute of Technology (NIT Kosen), Toyota College since 2017. He received his Dr. Eng. Degree from Nagoya University, 1982. He served as a research associate at National Research Council of CANADA (1982-1984), an assistant professor at Tokyo Institute of Technology (1984-1988), an associate professor at Nagoya University (1988-2004), professor at Nagoya University (2004-2017) and professor emeritus of Nagoya University since 2017. His research interest is on chemical reaction engineering and catalysis, especially on process intensification with multifunctional reactors. He has devoted research projects such as development of fuel cell type reactors, design of microchannel reactors, utilization of unused resources such as biomass or methane. He now concerns a lot about early engineering education.
