

Silpakorn International Conference on Total Art and Science 2021
in conjunction with the 2nd International Conference on Engineering
and Industrial Technology 2021 (ICEIT 2021)
The International Virtual Conference on Art, Science & Technology, and Social Science

Introduction of Keynote Speaker

Associate Prof. Dr.-Ing. Supakij Suttiruengwong
Department of Materials Science and
Engineering, Faculty of Engineering and
Industrial Technology, Silpakorn University,
Nakhon Pathom, 73000, Thailand

Supakij Suttiruengwong graduated the doctoral degree from University Erlangen-Nürnberg, Germany. He is currently working at Department of Materials Science and Engineering Faculty of Engineering and Industrial Technology Silpakorn University Sanam Chandra Palace Campus, Nakhon Pathom, Thailand. His research interest includes bioplastics compounding and product development, bioadhesives, reactive extrusion process, novel polymer processing techniques e.g. supercritical fluid, ultrasonic, microplastics mitigation, end-of-life options for biodegradable plastics. His group found a startup company involving the bioplastics products. He has published 47 papers. His H-index and citation are 14 and 962 respectively. He also works closely with bioplastics industry and association to help promoting bioplastics. In addition, he is acting as government organization committees as well as non-government organizations.
